

Website Hosting

Liberty Communications can host your website, taking care of domain registration, site backup, and network monitoring. Great value with free technical support, email accounts, and redundant backbone connectivity. We require a 3 month minimum commitment for website hosting.

Pricing: \$9.95 Monthly Fee
\$60 Set Up Fee – one time fee.

Disk Space: 1 Gigabyte

Benefits:

- | | |
|-------------------------------|---|
| Redundant Connectivity | We offer redundant backbone connectivity providing peace of mind that your site will stay operational. |
| FTP access | We support FTP access for uploading your files, so we can make it easy to get your site up and running. |
| 24/7 Monitoring | We monitor the network 24 hours a day, 7 days a week, so you can be confident in the service we provide. |
| Backup | We'll ensure your site is backed up so there's no need to worry about losing content. |
| Technical Support | We offer free technical support so there's no need to worry if you need some assistance. |
| Supported Software | With the exception of <i>Front Page</i> , our service supports all Web creation software providing a great deal of flexibility. |
